reviews about us.

I've been lucky enough to work directly with Sanjit and Mumu (the owners) at SMS Realty since moving to Dubai in ۲۰۲۳ and they've been the most helpful and trustworthy partners I could have imagined. They're locals who have decades of knowledge about Dubai and that makes a world of a difference.

In Dubai, there are unfortunately a LOT of "nonsense" real-estate folks that come in for a quick buck, with no idea what's going on except that they have to hit a target. SMS is completely the opposite. They're patient, knowledgeable, and, given their many years in Dubai, extremely well-connected across banking and real estate (crucial to getting things done in Dubai).

They've helped me with rentals, off-plan, mortgage, re-mortgage etc. etc. I could honestly keep writing on and on. Just know they're great brokers and, most importantly, good people.

SMS Realty is providing a full range of services from company establishment to accounting in a very professional way. Their team is super efficient and always available to support and answer any of my questions. My personal experience from the beginning has been perfect, it started with a real estate rental, and now I confidently moved my company accounting to them.

SAM

Vibrant & professional place. Good culture.

GLENN BASTIAN ILAGOU

Superb service.. Everything under one roof related to company setup, accounting, taxes.. etc. Sanjit and Mumu doing a great job.. kind and prompt service..

IROSHANA M

Working with SMS Realty to rent out my house was an amazing experience from start to finish. They were incredibly fast, professional, and made the whole process so easy. Communication was clear and consistent, and they handled everything with a level of efficiency that really impressed me. It felt like they truly cared about making things smooth for me, and it showed in every step. I'd highly recommend them to anyone looking to rent or manage a property.

PETER MITRY

I had a really good experience with SMS Realty. I bought a ۲-bedroom apartment in Eleganz by Danube in November, and they handled everything very smoothly. The team was friendly, helpful, and always available when I had questions. They made the whole process easy and stress-free for me. I'm happy with their service and would recommend them to others as well.
